\*Unaudited Statement - Without accompanying discussion this document is incomplete

\*\*As of May 31, 2010 DHA has been allocated \$4,683,443 in accordance with Public Law 2009 213 Section A-13.

\*\*\*As of June 30, 2010 DHA made final payment on General Fund Cash Advance

In accordance with Accrual based accounting procedures DHA recognizes Revenue in the period that the services are rendered and payments are anticipated to be collected.

In addition, Employer/Individual Cost of Coverage expenditure is recognized during the period which payment is rendered for invoiced services. DHA does encounter instances where Employer/Individuals do submit payments prior to the month when services are to be rendered. These "pre-payments" have been reviewed and addressed during the Month-end close process with a Deferred Revenue entry.

The Agency's financials include three funds, 054, 014, and 013. In order to reconcile this consolidated financial statement with the State's trial balances all three funds should be considered.
