HCTC (Health Coverage Tax Credit) is a federal program that the Agency administers that helps workers who have lost their jobs because of trade with foreign countries.

PCIP (Pre-Existing Condition Insurance Program) is a federal program the Agency administers that helps individuals who have been uninsured and have been diagnosed with certain medical conditions.

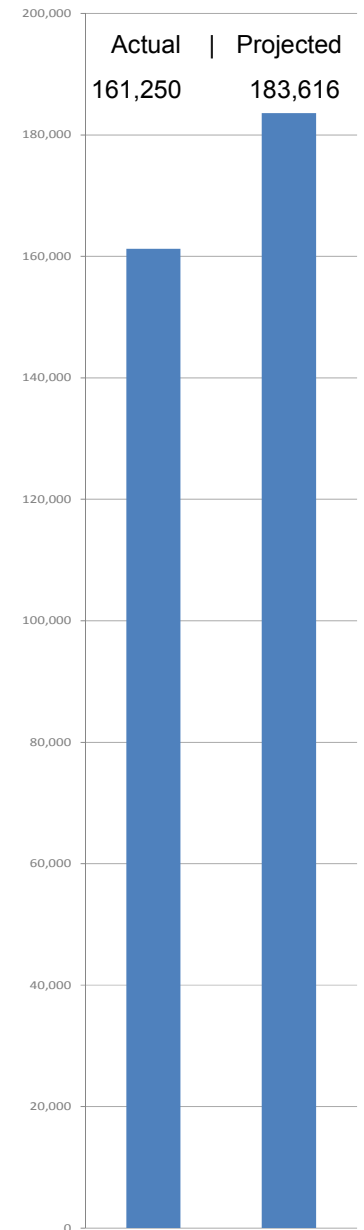

The **HRSA Voucher** helps part-time and seasonal, currently uninsured workers in large businesses (50 or more employees) participate in their employer's health insurance plan

The **Parent Expansion** is low or no cost health coverage (MaineCare) for qualifying parents of children under 18

Notes:

1) June Parent Expansion numbers not available at time of this report. This category decreased by 73% during March 2013, and decreased a further 15% during April 2013 for a total decrease of 88% from February 2013. Program management continues to work with eligibility to remove the remaining 780 cases. Unless eligible in other coverage groups (such as pregnant woman or disability), the individuals who lost coverage in the 151-200% FPL group no longer receive any form of Medicaid.
